

# SCSF COVID-19 Relief Fund - *Revised for Round 2*

## Fund Description

The SCSF COVID-19 Relief Fund was established to help state charter schools meet their most urgent needs during the 2020 pandemic. The fund will be used to support the following needs (see geographic restrictions):

1. Internet access for low-income students to engage in distance learning
2. Remote one-on-one tutoring for at-risk students to support continued academic growth/retention of academic progress achieved this school year
3. Other support/outreach for students and families as a result of COVID-19 and/or distance learning
4. Electronic devices for low-income students to engage in distance learning

## School Eligibility

All state charter schools that typically provide in-person instruction and are currently providing and/or have provided and/or may provide (based on public health guidance) ongoing and/or intermittent distance/remote/hybrid instruction during the 2020-21 school year are eligible for funding through the SCSF COVID-19 Relief Fund. Grant awards will be made based on need, timeliness of application, award of other grant fund, and fund availability.

Schools should apply for funding based on their geographic region (based on the SCSF's fund availability). The Greater Atlanta region includes schools located in the following counties: Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Fulton, Gwinnett, Henry, and Rockdale.

## Requirements

### ***Electronic Devices (all schools) & Internet Access (all schools)***

Grant funds for electronic devices are intended to support distance learning for low-income students who do not have access to an appropriate electronic device. Grants for Internet access can include the cost of a hotspot, Internet home connection/router, and Internet access service fees for the period of time instruction is provided.

- Identify a vendor who is able to deliver devices by February 16, 2021.
- Submit a plan for distributing devices (laptops, Chromebooks, tablets, or hotspots) including prioritization based on student need and logistics for distribution
- Submit a plan for preparing and maintaining devices, including completion of a user agreement by families
- Describe how parents and students will be instructed on using the devices and/or accessing the Internet
- Verify that distance learning took place and/or will continue for at least six (6) weeks
- Provide verification of purchase of devices and/or payment for Internet services
- Provide list of students (using student initials and grade)
- **Provide 2-4 photos of students accessing distance learning and/or distribution of devices** (see release attached)

### **Low-Income Determination**

Schools may determine eligibility of a student as "low-income" through one of the two following methods:

1. Existing documentation of verification of eligibility for Free or Reduced Lunch and/or verification of homelessness, foster, or migrant status and/or documentation of family participation in SNAP or TANF programs OR
2. A self-certification form signed by a parent/guardian that the total income of the family is equal to or below the low-income level as established by HUD. Schools should recognize that the economic situation of families is changing rapidly during this crisis, and it is probable that more students meet the definition of "low-income" now than Fall 2019. (HUD limits: <https://www.huduser.gov/portal/datasets/il/il2020/2020summary.odn>)

**Income Limits by Number of Family Members – Metro Atlanta**

FY 2020 Income Limit Area	Median Family Income	FY 2020 Income Limit Category	Persons in Family							
	Explanation		1	2	3	4	5	6	7	8
Atlanta-Sandy Springs-Roswell, GA HUD Metro FMR Area	\$82,700	Very Low (50%) Income Limits (\$)	28,950	33,100	37,250	<b>41,350</b>	44,700	48,000	51,300	54,600
		Extremely Low Income Limits (\$)*	17,400	19,850	22,350	<b>26,200</b>	30,680	35,160	39,640	44,120
		Low (80%) Income Limits (\$)	46,350	52,950	59,550	<b>66,150</b>	71,450	76,750	82,050	87,350

**Income Limits by Number of Family Members - Outside of Metro Atlanta**

FY 2020 Low-Income (80%) Limit (LIL)							
1 Person	2 Person	3 Person	4 Person	5 Person	6 Person	7 Person	8 Person
40,450	46,200	52,000	57,750	62,400	67,000	71,600	76,250

**Remote Tutoring (Greater Atlanta)**

Grant funds for remote tutoring are intended to support the academic achievement/progress/retention of academically “at-risk” students.

- Submit a plan for determining target students based on benchmark testing and/or teacher data
- Agree to work in coordination with the tutoring service provider/identified instructor(s), developing a process for determining effectiveness and tracking attendance
- Submit a plan for coordinating with students and families
- Agree to provide tutoring and/or small group supplemental instruction for at least six (6) weeks outside of normal school hours
- Maintain verification of contract and/or payment for tutoring services
- Provide list of students (using student initials, grade, and eligibility category)
- Provide aggregate data of student progress
- **Provide 2-4 photos of students accessing remote tutoring** (see release attached)

**At-Risk Determination**

Students may be determined eligible for remote tutoring and considered academically “at-risk” if the student meets one of the following criteria:

1. Currently receiving EIP (intervention) services, remedial education, and/or Special Education and related services OR
2. Identified for consideration for intervention or remedial services through RTI or informal processes, including teacher referral and/or grades and/or benchmark assessments OR
3. Referred for evaluation for Special Education and related services OR
4. Identified as “at-risk” due to other hardship or learning challenge

**Tutoring Requirements**

Schools may utilize the tutoring services provider and/or teacher(s) of their choice. Schools must ensure that any provider of tutoring services is qualified and able to assess student progress. The SCSF has negotiated a rate for state charter schools with a remote tutoring provider recognized as a Level II effective intervention (based on ESSA requirements) that schools may elect to use. Schools may use teachers for remote tutoring, as long as they can verify that tutoring hours are over and above those hours and responsibilities detailed in current teaching contracts and that teachers are fulfilling the requirements for both existing contracts and contracts for tutoring. Tutoring/small group instruction should provide supplemental support to students outside of normal school hours.

### ***Student/Family Outreach & Support (outside Greater Atlanta)***

Grant funds for student/family outreach and/or support are intended to bolster schools' efforts to reach students when they are learning from home to ensure their wellbeing and/or academic success. Schools may propose activities that best meet the needs of their community.

### **Notes**

1. Schools may request funding in more than one category, but the SCSF encourages schools to request only what they need to serve students and consider any funding or resources received from other sources.
2. Expenses incurred for the purchase of electronic devices for distance learning, Internet access to facilitate distance learning, and/or remote tutoring (over and above typical salary expenses) since August 1, 2020 may be considered eligible expenses. Please email [mneely@scsfga.org](mailto:mneely@scsfga.org) for verification of eligibility of expenses.
3. Schools receiving grant funds must submit a final report and provide photos of students accessing resources provided. A template for the report will be provided.
4. Any recognition of grant awards should be acknowledged as the "State Charter Schools Foundation of Georgia COVID-19 Relief Fund."
5. Please submit photos to [mneely@scsfga.org](mailto:mneely@scsfga.org). Donors will appreciate seeing that their funds were put to good use!

## Self-Certification of Income

I hereby certify that my family's total income is equal to or lower than the amount listed below based on the number of family members who live/stay in my home at this current time. I understand that my child(ren) is/are receiving technology device(s) and/or access to the Internet based on this information and his/her/their need to access distance learning during school closure.

<b>School Name</b>	
<b>Student Name(s)</b>	
<b>Parent/Guardian Name</b>	

*Please circle the number of members of your household.*

Number of persons in your household/family	1	2	3	4	5	6	7	8
Metro Atlanta	\$46,350	\$52,950	\$59,550	\$66,150	\$71,450	\$76,750	\$82,050	\$87,350
Outside of Metro Atlanta	\$40,450	\$46,200	\$52,000	\$57,750	\$62,400	\$67,000	\$71,600	\$76,250

## Publicity Release

I hereby grant permission for my child's school and the State Charter Schools Foundation of Georgia to use or publicly display my/my child's photograph, video, audio, video clip, and first name on the website, social media account, and/or publication of the school, State Charter Schools Foundation of Georgia, State Charter Schools Commission, and other entities who have served as donors to the SCSF COVID-19 Relief Fund. I understand that any such image may be cropped or otherwise edited for image quality only. I further understand that images may be re-published by third party entities.

The purpose of all student/family images is to provide evidence of the use of grant funds and provide an opportunity to thank and encourage the support of donors for state charter schools. Thank you for your help!

## Vendor Resources for Distance Learning

### Remote Tutoring

- FEV Tutor, Jerold Bryant, 404-563-9665, [GA@fevtutor.com](mailto:GA@fevtutor.com), [www.fevtutor.com](http://www.fevtutor.com), offering discounted rate for state charter schools of \$22/hour

### Tech Devices

- **B&H B2B:** B&H B2B offers money savings and easy purchasing options for educational institutions on the full line of technology products including audio-visual , photo, video, pro-audio, surveillance, computer and peripherals, optics and home/mobile electronics. Fulfilment on the latest sought out items: HP Chromebooks, wireless headsets, cameras, etc., will be able to be sourced throughout the year!

Your dedicated rep to help you set up and navigate your account for ordering is:

George Kalemkeridis, [Georgk@bhphoto.com](mailto:Georgk@bhphoto.com), 212-239-7500 x2814

**Notes:** George said that they have immediate availability for Chromebooks, wireless headsets, cameras for devices, tablets, etc. I do not have experience using them as a school, but George has been very responsive, and they are known for excellent service.

- **Stratix:** They have a large quantity of Samsung Chromebooks ready to ship this summer. They are providing group pricing to state charter schools, so tell her you received her info from the SCSF. They can provide auxiliary services, too.

Our contact is Melanie Baran - [Melanie.Baran@stratixcorp.com](mailto:Melanie.Baran@stratixcorp.com) or 812-219-6291.

**Notes:** Melanie seems easy to work with, and they offer some services like setting up devices and restoring them annually that might be useful for you. They do not have any HP or Dell devices in stock at this time, but that may change.

- **CDW-G:** They are under state contract and a partner with Buy-Q, the charter school buying group. Ask about both pricing structures if you work with them to find the least expensive option. They are maintaining a spreadsheet of availability: [https://docs.google.com/spreadsheets/d/1-AECqMe\\_DyN7IOvoOQwVdxdSdfmRKkaQzNEQGhdx5h8/edit#gid=0](https://docs.google.com/spreadsheets/d/1-AECqMe_DyN7IOvoOQwVdxdSdfmRKkaQzNEQGhdx5h8/edit#gid=0)

Our contacts: Norm Busick – K12 GA, Account Manager, 866-537-4609, [normbus@cdwg.com](mailto:normbus@cdwg.com); Brennan Geis – K12 GA, Account Manager, 866-339-0352, [bregeis@cdwg.com](mailto:bregeis@cdwg.com)

**Notes:** Their inventory changes very quickly, but they are a very reputable company.

- **HP:** HP is under state contract, which you can access. This is the direct HP contact: Gordon Burnett, Account Manager, [gordon.burnett@hp.com](mailto:gordon.burnett@hp.com), T 770-865-6910, HP Inc., Georgia

**Notes:** I have not talked to Gordon and do not know their availability.

- **Lenovo:** Lenovo is under state contract, which you can access. They are estimating a lead time of 3-4 weeks for all devices.

The Lenovo K12 team for in Georgia is Dana LeTourneau, Account Executive, [madonia@lenovo.com](mailto:madonia@lenovo.com); Reginald Roy, Inside Sales Representative, [roy@lenovo.com](mailto:roy@lenovo.com); Ryan Hansen, Account Executive, [rhansen@lenovo.com](mailto:rhansen@lenovo.com); Maya Wagner [mwagner@lenovo.com](mailto:mwagner@lenovo.com)

- **Other Vendor Notes:**

- Schools have not had good luck with Staples this spring.
- One school secured Chromebooks from Firefly: <https://fireflycomputers.com/>
- All vendors under state contract are here: <http://doas.ga.gov/state-purchasing/state-purchasing-covid-19-response>

## Internet

All wireline providers (AT&T, Comcast, Charter, etc.) should have programs for low-income families based on their FRL (low-income) status, called the LifeLine program (<https://igafoodstamps.com/georgia-ebt-discounts/>). Attached are special offers that we have worked out with AT&T, T-Mobile and Verizon for inexpensive wireless access. **SEE ATTACHMENTS FOR DETAILS ON RATES NEGOTIATED BY GADOE.**

Additional Contacts:

- **Verizon:** Alison King, 404-548-7056, [alison.king@verizonwireless.com](mailto:alison.king@verizonwireless.com)
- **Sprint/T-Mobile:** Matthew Goldberg, 470-402-9702, [Matthew.Goldberg@Sprint.com](mailto:Matthew.Goldberg@Sprint.com)

### Summary of low-cost internet for low-income homes

## 24/7 Access to Live 1:1 Online Tutoring as an Extension of Your School & District

# School/District Software Licenses Pricing

FEV Tutor offers **'School, District and Program Site Licenses'** which include **'Banks of Live 1:1 Instructional Hours'**; along with several other wrap around services (listed below). Our licenses are purchased just like a software license, with one purchase order issued for the licenses so that FEV Tutor can keep the purchasing process streamlined and allow for 100% of license purchased to go to direct Live 1:1 direct instruction for students.

 Live 1:1 Instruction (Your Bank of Hours)	 Professional Development & Training	 Progress Monitoring	 Targeted Content For Instruction	 24/7 Support
---	---	---	--	---

## Special Pricing:

**\$22**

per hour/per student

*\*All Hours are pooled and available for any student to use  
\*Districts/Schools can add more hours to their license at any time  
in the same increments listed above (or any size increment)*

## License Includes:

- ✓ 24/7 Support
- ✓ Professional Development and Training
- ✓ License Activation and Maintenance
- ✓ Dedicated Academic Program Manager
- ✓ 24/7 Data and Reporting Access
- ✓ Academic Impact Data Analysis
- ✓ Initial Student and Administration License Set Up
- ✓ Unlimited Student, Teacher, and Admin Licenses  
No limit on number of students enrolled - time is interchangeable among students
- ✓ Targeted Tutoring Content  
(all grades and core subjects)
- ✓ Development of Personalized Tutoring Plans
- ✓ Access to Family & Student Engagement Team
- ✓ Time Used is Prorated Based on Usage  
(No Charge for Absences)

## INTERNET PLANS NEGOTIATED BY GADOE

### Summary of plan offers.

#### AT&T

Plans start at \$17.50 to \$18.50 including content filtering

One-time equipment charge starts at \$0.99 to \$99.00

6 Month commitment is required

#### T-Mobile

Plans start at \$10.00 to \$20.00 including content filtering

One-time equipment charge starts at \$0.00 to \$42.00

12 to 24 Month commitment is required

#### Verizon

Plans start at \$15.00 to \$19.99 including content filtering

One-time equipment charge starts at \$60.00 to \$149.00

6 Month commitment is required

# Verizon Distance Learning

Distance Learning Initiative is designed to provide wirelessly enabled devices to students in effort to continue their education inside or outside of the classroom. This service is being made available to support your District's efforts in successfully providing remote learning needs associated with the COVID-19 pandemic.

Verizon has created a custom program comprised of two discounted MiFi Jetpacks, a special unlimited use data plan, mobile device management feature and a cloud based CIPA filtering feature. The total monthly recurring cost is \$19.99 plus required regulatory fees. Subscribing Districts and Charter Schools are obligated to the program for just six months. Continuation after that time is voluntary. The subscription process is simple and straightforward requiring completion of a one page order form.

- Unlimited Data for Tablets and Mifi Jetpacks (4G)
- \$15.00 base monthly access
- Unlimited 4G LTE data within the United States

## Verizon Mobile Device Management - Broadband Hotspot Management

Broadband Hotspot Management allows administrators to manage selected Jetpacks devices over the air. Set and Manage security policies like SSID, passphrase, encryption, administrator password, and prevents user from viewing or changing settings.

## Asavie Moda

A CIPA-compliant management and security solution for mobile devices. It provides a safe environment for teachers and students to maximize the benefits of new technologies on any SIM-enabled device. By managing access to content and applications, schools can ensure that devices are used for educational purposes only. Crucially, malicious sites, malware and hacking attempts are blocked at the source.

---

# We're here to help bridge the gap between teachers and students

## Rising to the coronavirus challenge

You educate a diverse and deserving population. COVID-19 has made your task more challenging than ever, so T-Mobile would like to help.

## Unlimited Internet access on our advanced network

In response to CARES Act support for K-12 education, T-Mobile has initiated a new program that can help teachers and students stay connected. We've combined affordable devices with flexible wireless plans and no surprise fees to provide educators with full virtual classroom solutions. And with distance learning services on our advanced 4G LTE network, your students won't need any other home cable or wireless service to continue learning.

## T-Mobile: a full-strength partner for rapid implementation

We know there's no time to waste, so we have the device inventory and staff needed to support rapid implementation. T-Mobile has already worked with major metropolitan school districts around the country, such as Washington, D.C.; Chicago; and Philadelphia. Our processes are in place to help you account for your use of these federal funds; we'll make tracking and reporting easy and transparent for your accountability.

[Check out this recent Forbes article](#) to discover how T-Mobile is helping educators across the country bridge the gap between teachers and students.

<https://go.business.t-mobile.com/keeping-students-connected-covid-19>

## Pricing overview

Recommended:  
Full virtual classroom  
solutions as low as

**\$20/line**  
per month

Unlimited high-speed data  
on our network

or

Basic classroom  
solutions as low as

**\$10/line**  
per month

2GB of high-speed data  
on our network

During congestion, the small fraction of customers using >50GB/mo. may notice reduced speeds until next bill cycle due to data prioritization. Video typically streams at 480p. Equipment options and pricing varies based on rate plan selection and term.

## Dedicated teams to support you

As a nationwide wireless provider, T-Mobile maintains dedicated institutional sales and support staff to serve your region. Our teams are ready to discuss how we can quickly and efficiently implement this program, so your students can get connected and keep their learning on track.

## K-12 education program pricing & plans

To help keep your students connected during the COVID-19 outbreak, we've created affordable new education programs and increased available data limits to 20GB on our standard 2GB plan through June 30, 2020.

\$20/line per month	
24-month commitment	12-month commitment
<ul style="list-style-type: none"><li>▪ Unlimited high-speed data on our network</li><li>▪ Up to \$200 device credit (Eligible devices include hotspots, Google Chromebooks, tablets, data sticks, laptops, and more)</li></ul>	<ul style="list-style-type: none"><li>▪ Unlimited high-speed data on our network</li><li>▪ Mobile hotspot device included at no additional charge</li></ul>

During congestion, the small fraction of customers using >50GB/mo. may notice reduced speeds until next bill cycle due to data prioritization. Video typically streams at 480p.

\$10/line per month	
24-month commitment	12-month commitment
<ul style="list-style-type: none"><li>▪ 2GB of high-speed data on our network per month, reduced data speeds up to 128kbps</li><li>▪ Up to \$100 device credit (Eligible devices include hotspots, Google Chromebooks, tablets, data sticks, laptops, and more)</li></ul>	<ul style="list-style-type: none"><li>▪ 2GB of high-speed data on our network per month, reduced data speeds up to 128kbps</li><li>▪ Mobile hotspot device available at discounted rate of \$42</li></ul>

### Select plans include:

- Content filtering from WebTitan by TitanHQ™, a third-party product that can filter even secured (https) traffic at the domain level.\*
- Planning, implementation, and deployment support.\*\*

\*Schools that do not use a T-Mobile-facilitated filter thereby acknowledge that they will provide their own CIPA-compliant filter on all devices for the duration of their use.

\*\*For some plans, a one-time charge may apply for staging, kitting, and delivery services.

## More coverage than ever before

Today, our nationwide 4G LTE covers 99% of Americans. And by joining forces with Sprint, we'll do even more to power the education industry. With our combined networks, we'll build the largest, most reliable 5G network around, delivering unprecedented reach and reliability, as well as the highest capacity in history.

Check your coverage at [T-Mobile.com/coverage/coverage-map](https://www.t-mobile.com/coverage/coverage-map).

## Frequently asked questions

**Are there content filtering solutions to help prevent students from visiting websites they shouldn't?**

Yes, we offer content filtering options. Schools may also put a third-party filter on tablets.

**Where can I see T-Mobile's statement on COVID-19 and learn what you're doing to support communities?**

Check out our recent press release to find out what we're doing to help:

[T-Mobile.com/news/t-mobile-update-on-covid-19-response](https://www.t-mobile.com/news/t-mobile-update-on-covid-19-response).

**What if I need help with troubleshooting or have questions about my plan?**

You can always go to [support.t-mobile.com](https://support.t-mobile.com) or call 1-855-218-7803 to speak with an education expert. You may experience longer than usual hold times to reach us, but we'll be with you as soon as we can.

If you need additional support, please check [T-Mobile.com/support](https://www.t-mobile.com/support).

Contact your rep today to get more details

Limited time offer; subject to change. Qualifying government account required. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on device. **If you cancel service before fulfillment of the specified term, the prorated portion of the hardware value or award—the value times the number of months remaining, divided by months in the term—is due.** Partial megabytes rounded up. U.S. roaming and on-network data allotments differ; includes 200MB roaming. Standard int'l speeds approx. 128 Kbps; no tethering. Not for extended international use; you must reside in the U.S. and primary usage must occur on our U.S. network. Device must register on our U.S. network before international use. **2GB Plan:** Full speeds available up to monthly allotment, including tethering; then, slowed to up to 2G speeds through bill cycle. **Video streams** typically at DVD quality (480p) with Binge On unless video provider opts out. You may disable Binge On at any time but will lose Binge On benefits. **Unlimited Plan: Video streaming** at up to 1.5Mbps; may affect speed of video downloads. For best performance, leave video streaming applications at default automatic resolution setting. For the small fraction of customers using >50GB/mo., majority of data usage must be on tablet. Tablet usage is prioritized over tethering usage, which may result in higher speeds for data used on tablet. **Coverage** not available in some areas. **Network Management:** Service may be **slowed, suspended, terminated or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. See [T-Mobile.com/OpenInternet](https://www.t-mobile.com/OpenInternet) for details. EmpowerED 2.0 is a trademark of T-Mobile USA, Inc. T-Mobile and the magenta color are registered trademarks of Deutsche Telekom AG. ©2020 T-Mobile USA, Inc.

## State of Georgia Educational Offer

### Equipment Pricing – One Time Charge

Commitment	6 Month	12 Month
AT&T Unite Express 2	<b>\$90.00</b>	<b>\$50.00</b>
Moxee	<b>\$35.00</b>	<b>\$0.99</b>

\*Educational Customers are responsible for meeting CIPA compliance through participating K-12 and/or Public Higher Education institution organizations. If customer need content filtering pricing below is available.

Commitment	6 Month	12 Month
Unlimited Data – 10GB throttled	\$17.50	\$17.50
Content Filtering (optional)	\$1.00	\$1.00
<b>Total Data &amp; Content Filtering</b>	<b>\$18.50</b>	<b>\$18.50</b>

All plan pricing does not include FCC, Regulatory Fees, Universal Service Fees, and Taxes where applicable. Customer cannot combine this offer with the 2 months free Education promo.

Offer requires customer to maintain the lines in active status for agreed upon months. If the customer disconnects (or suspends) service on lines prior to the agreed upon commitment, customer agrees to pay the remaining Content Filtering and Data charges for the remaining months in the commitment, (per line calculation, as example: (\$1.00 Content Filtering + \$17.50 Data) x number of month short on commitment). Taxes, fees, and other monthly charges are extra.

AT&T/GTA agency educational offer document must be signed as these lines will need to be set up separately on new FAN and BANs under each participating K-12 school system or Public Higher Educational offer along with the T's and C's of this offer before orders can be placed.

#### Content Filtering

This will be billed separately on your organization AT&T Landline bill.

The pricing assumes devices are only relevant applications for studying from home – i.e. the devices have CIPA compliance - If the customer opts to remove the service before the end of the contractual commitment, the customer will be responsible for immediate payment for the remaining months on the contract.

After all high-speed data allotments are used, all data usage is slowed to a max of 128 Kbps for the rest of the bill cycle. Audio and video streaming, picture and video messaging and other data usage, including sponsored data, will be impacted. See [att.com/broadbandinfo](http://att.com/broadbandinfo) for AT&T's network management practices.
