The Honorable Brian P. Kemp
Governor of Georgia
206 Washington Street
111 State Capitol
Atlanta, GA 30334

Dear Governor Kemp:

This letter is intended to serve as the FY2024 annual report of the State Charter Schools Foundation of Georgia (SCSF) required by O.C.G.A. § 20-2-2092. The SCSF was founded in 2015, to support charter schools authorized by the State Charter Schools Commission of Georgia (SCSC).

The SCSF is grateful to have supported Georgia's state charter schools through its signature programming in FY2024. Additionally, the SCSF has furthered the work of the Georgia Strategic Charter School Growth Initiative, made possible with the support of a \$4.1 million GEER II grant and a \$38.3 million Charter Schools Program (CSP) State Entity Grant from the U.S. Department of Education. We have seen the statewide impact of your investment in charter schools through the GEER II grant, and we are so grateful for your support.

We look forward to continuing our mission of helping schools launch, build capacity, and grow in hopes of allowing more of Georgia's families to have access to high-quality public school options. If you have any additional questions, please do not hesitate to let me know.

Sincerely,

A handwritten signature in blue ink that reads "Michele J. Neely".
